from Nuclear to Medical Physics**

A Tribute to Ugo Amaldi on his Ninetieth Birthday

Edited by:

Paola Scampoli and Giovanni Stefani

The Accademia delle Scienze detta dei XL is profoundly honoured to count Ugo Amaldi among its distinguished members: he has been recently bestowed by the President of the Italian Republic with the highest honour of the Republic, the “Cavalierato di Gran Croce OMRI Ordine del Merito della Repubblica Italiana”, in recognition of his extraordinary scientific achievements and remarkable contributions to society.

This collection of papers originates from a conference held at CERN, Geneva, the 4th of April 2025 on the occasion of Professor Amaldi’s ninetieth birthday.
